jab tum mere saamane hoti ho
duniya ko bhool jaata hu
tera deedar karta hu
jab tum mere saamane

tasveer teri aaise dil mei samaai hai
roop mei tere jaise husn-e-khudai hai
chaand aur taare saare tujhpe hain qurbaan
hardam tere khwabon khyalon mei rahta hu
ha duniya ko bhool jata

dil ki dhadkan keh rahi hai
ab na jana mujhe chodkar
dil pe tera hi naam likha hai
kya karogi ise todkar
dil jo toota zindagi bhar
judega kaha
o ho ho duniya ko bhool jata

taareef uski karu kya
jisne banaya tumhe
bahut pyaar naaz-o-ada se
jisne sajaya tumhe
tere jaisi koi haseena
phir se banegi kaha
tere nashe mein jhoom kar gata hu
duniya ko bhool jata
