Too Bad, I'm Gone.
I was right, And You were wrong.
I was yours just yesterday.
But right now, I'm on my way.

Yah, I'm Okay. I've Moved on.
Even though, You let me go.
You're still the one.
That just can't....Let Go.

I can tell, that you still like me, yah
I can tell, That I'm still the one.
You dream About, at night.
I can tell, that you just can't stand,
that I'm not in your hands.
yah

You keep your smile, on your face.
Even though, I'm not there to smile back.
Yah, I'm okay... You say.
That's a lie, I can tell by the expression on your face.

and I can tell, that you still like me, yah
I can tell, That I'm still the one.
You dream About, at night.
I can tell, that you just can't stand,
that I'm not in your hands.
yah

It was your choice, and you chose wrong...
And if you didn't say goodbye, you wouldn't have to
Hear this song...
(it was your choice, and you chose wrong)
And un-do it, yah

I can tell, that you still like me, yah
I can tell, That I'm still the one.
You dream About, at night.
I can tell, that you just can't stand...
I can tell, that you still like me, yah
I can tell, That I'm still the one.
You dream About, at night.

I can tell, that you just can't stand,
that I'm not in your hands.
yah
