## verse 1

scratch the service  
see what lies within  
nothing is as it seems  
within this tangled web of deciet  
maintain control  
stripped of independant thoughts  
swallow the lies, all of the time  
why don't you open your eyes

## chorus 1

behind a mask of deciet  
lies the face of the elite  
enslaving humanity  
in the land of the free  
everlasting fear  
everlasting low  
a product of their greed  
a product of our time

## verse 2

inside the fear is growing  
machines of war need oiling  
they fuel the fires of hate  
illuminate the skys  
build the brightest bombs  
if only to right the wrongs  
if you believe it you must be blind  
why cant you open your eyes

## chorus 2

behind a mask of deciet  
lies the face of the elite  
enslaving humanity  
in the land of the free  
everlasting fear  
everlasting low  
a product of their greed

a product of our time  
of our time  
everlasting fear

breakdown 1

everlasting fear  
controls you  
controlled you from the start

verse 3

can't understand the political mind  
behind the process the plastic smiles  
a black agenda hidden from view  
unleash the dogs of war  
maintain control  
increase the flow of oil  
long black rivers of gold  
leading to the promised land

to the promised land...

everlasting fear  
everlasting low  
everlasting fear  
everlasting low

chorus 2

behind a mask of deceit  
lies the face of the elite  
enslaving humanity  
in the land of the free  
everlasting fear  
everlasting low  
a product of their greed  
a product of our time  
our time  
our time

breakdown 2

everlasting fear  
controls you  
controlled you from the start
