If i could hold onto you, I'd never let you go
But i know it's not true, we can never hold on
To the one's we love, the one's we love, ya

God help me believe, there's a place waiting for us
On the other side, no more pain
Everybody waiting for me, hold my hand
Welcome me in, ya

You know I'm never gonna say goodbye, say goodbye
You know I'm never gonna say goodbye, say goodbye
You know I'm never gonna say goodbye, say goodbye
You know I'm never gonna say goodbye, say goodbye

If i could hold onto you, never let you go
