I know some of you still donâ€™t know who I am
I have been around since before time began
I donâ€™t interfere Iâ€™ve always had a plan
It doesnâ€™t matter now, It doesnâ€™t matter now, I
keep my

Eyes on the world
You keep feelinâ€™ the love inside, Iâ€™ll keep my
eyes on the world.
Eyes on the world
I donâ€™t care if your black or white
Iâ€™ll keep my eyes on the world, Eyes on the world

If you follow then my choice is that you lead
And if youâ€™re lost then maybe someone else could
plant the seed
Time is short compared to where I hope youâ€™ll be
Keep watching for a sign, watching for a sign, I keep
my

Eyes on the world
You keep feelinâ€™ the love inside, Iâ€™ll keep my
eyes on the world.
Eyes on the world
I donâ€™t care if your black or white
Iâ€™ll keep my eyes on the world, Eyes on the world

I keep my
Eyes on the world
You keep feelinâ€™ the love inside, Iâ€™ll keep my
eyes on the world.
Eyes on the world
I donâ€™t care if your black or white
Iâ€™ll keep my eyes on the world, Eyes on the world
Eyes on the world, Eyes on the world
Eyes on the world, Eyes on the world
