Yeah

I feel like I keep falling on my face
In a world where there's no room for second place

My confidence is growing
I find strength in knowing
(It's okay)
It's okay 'cause Your love is here reaching out to me

I don't want anything but You
(You're so amazing, there's no replacing You)
I don't want anything but You
(You're so amazing, there's no replacing You)

Without You I'm just living to survive
You're the only one who makes me feel alive

I want the world to know it
I'm not afraid to show it
'Cause You're all I want

I don't want anything but You
(You're so amazing, there's no replacing You)
I don't want anything but You
(You're so amazing, there's no replacing You)

I wanna love You more
'Cause You deserve it
You deserve it

You're so amazing, no replacing You
You're so amazing

I don't want anything, no, anything but You
I don't want anything, no, anything but You
(You're so amazing)

I don't want anything but You
(I don't want)
I don't want anything but You
(I don't want)

You're so amazing
