(by Overflow)

Load up on guns and

Bring your friends

It's fun to kill

Claudioman!

He's over boring

And self assured

Oh no, he's comin'

I'll take my sword

Oh no, oh no, oh no, oh no!

(chorus)

With the lights out it's more dangerous

Here we are now

He's around us

He's stupid and it's contagious

Let's get out now!

'fore he slay us

A stabbin'!

A gun shot!

A bazooka!

We've killed him!

Yeah!

He's worse than I've anticipated

And for this shit I feel cursed

Our little group has always been

Atormentated for him until his end

Oh no, oh no, oh no!

(chorus)

And I didn't forget

He's such a waste

'n I'm sure it makes me smile

I found it hard

It was hard to kill

Now go to hell and don't come back!

Oh no, oh no, oh no, oh no!

(chorus)

A denial.. (3x)
