You walk in, the room starts buzzin'™
Every two-bit Jack and his cousin
Knows your name
Like you™ re some kind of old flame
You been playin'™ me like a fiddle
Now who™ s got the bow now, it™ ll be
My serenade to your phony masquerade
â€~Cause honey you are gonna watch me choose
Somebody new to fill your big bad shoes
Because I caught you spreadin'™ your love all over
the place
(All over, we™ re all over, all over and done!)

Well last night I heard you creep in
To the room while I was sleepin'™
Playin'™ dumb (ho hum)
But I knew where you™ d come from
When I turn my back you revel
In your little act, you devil
You take the cake
But you™ ve made your last mistake
Well you can try to throw me out at base
But Honey I, I got an airtight case
Because I caught you spreadin'™ your love all over
the place
(All over the place, yes I did!)

I™ d say potaytah and you™ d say potatah
Oh you always had to be right
I™ ll see ya later â€~cause Baby I gotta go
Get you outta my sight (good night!)
Well you™ re a cheat with no more cards to play
You see these feet? Now watch â€~em walk away
Because I caught you spreadin'™ your love all over
the place
All over, all over

I smelled a rat (big rat!) but still I took your bait
Well Pussycat (dig that!) I was a fool of fate
Because I caught you lettin'™ your love go
You won™ t be gettin'™ more love, no (you thought

that I didnâ€™t know!)
I caught you spreadinâ€™ your love all over the place
Donâ€™t want it back, now!
