Tell me what you're waiting for
Tell me all about the silence
Tell me all about your dreams
Tell me all about the silence

I've never been so good with this
I've never been so good with silence
So please excuse me if I'm wrong
Please excuse me if I'm crying

I'm gonna fly like an eagle
Away from the city lights
Flyin' into darkness
And chasin' the silence

Is this what I've been looking for
A place where everything is quiet
Please lead me to another door
Where love is all we're gonna require

I've never been so good at this
I've never been so good with silence
But this time I rely on you
And this time you will give me guidance

I'm gonna fly like an eagle
Away from the city lights
Flyin' into darkness
And chasin' the silence

I'm gonna fly like an eagle
Away from the city lights
Flyin' into darkness
And chasin' the silence

I'm gonna fly like an eagle

Away from the city lights
Flyin' into darkness
And chasin' the silence

I'm gonna fly high
Away from the city lights
Flyin' into darkness
And chasin' the silence

I'm gonna fly like an eagle
Away from the city lights
Flyin' into darkness
And chasin' the silence
