When I can write the books I read  
When I can paint landscapes I see  
Get down and chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra  
Fly me higher

If I could climb the mountains high  
If I could reach and touch the sky

Get down and chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra  
Fly me higher

One day I'll face, one day I'll find,  
The mind behind this great design.

Get down and chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra  
Fly me higher

Go paint the scenes you see  
Write down the words you hear  
Live inside your dreams, go levitate, be clear.  
Go climb the mountains high  
Vake room for more designs  
Reach out and touch the sky  
The mind behind.

One day I'll write the books I read  
One day I'll paint landscapes I see

Get down and chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra

Fly me higher

'Til then I sing the sounds I hear  
I levitate, my state is clear

Get down and chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra, chant like a mantra  
Chant like a mantra  
Fly me higher
