"Let the mountain come to me"

I've got a mission
A magic to perform
This rite of passage
Like the riders of the storm
I'll be your hero
An angel in the sky
Countdown to zero
And the rockets flying high

Let the mountain come to me
That's how it's got to be
Let them come to me
Bring rain and thunder to my throne
I'll do it all alone

Let them come to me
Let them come to me
Bring them home to see
Let them come to me
Let them come to me

I've got a devotion
Construction is my aim
Take this corrosion
And the pressure of today
We stay survivors
We keep our goals alive
Remain outsiders
And hold our spirits high

Let the mountain come to me
That's how it's got to be
Let them come to me
Bring rain and thunder to my throne
I'll do it all alone

Let them come to me
Let them come to me
Bring them home to see
Let them come to me
Let them come to me
