What Have i done?

I should have no thoughts of hell  
Though i fear it  
I should have no love for her  
Though I can't help but feel it

This town can never be  
Home to me  
There is no plea  
That will relieve these sins  
Can I run?

I pray the cold of desert night  
Will freeze my awful thoughts  
So my life begins anew

I Pray The light of the sunrise  
Will lead me correctly  
I follow it blindly

She'll write sonnets of the heartache  
Sonnets I'll never again read  
These thoughts constantly breed  
Making this weight unbearable

What the fuck kind of man am I?  
What the fuck kind of man Am I?

I pray that the light of the sunrise  
Will burn out your eyes
