

Vaudeville "Restless Souls"

Visit "[Restless Souls](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Drenched in cold
Stained by your tears
The world grows old
As you disappear
No possessions
No more fear
A lack of expression
Looking in the mirror

Freedom call
It's too late
Restless souls
Dreamers decay
We're all goners
Waiting for our day
We're all goners
Floating in space

I bet my soul
Unharmmed by their reach
That they don't know
The power that we conceive
Will you stand
Up against their wrath
Or will you run
Until there's nothing left
