I hear someone calling me  
Where they call from  
I can see no light  
Walk through fire  
To me now  
And the fire I can't feel

Bare bones  
Bare bones  
I have walked through hell  
Now I'm back  
Stripped to the bone  
I have been to hell  
Now I'm here an' I'm taking all I need  
Bare bones

Obstacles are in my way  
Just beyond them  
Lies what I don't know  
You walk through blind  
Know I'm here  
There is nothing I can't see

Bare bones  
Bare bones  
I have been to hell  
Now I'm back  
Stripped to the bone  
I have been to hell  
Now I'm back an' I'm taking all I need  
Bare bones

Open my eyes to what I need to see  
Am I you or am I becoming me?  
Life from day to day  
Turn another page  
Christened in the rain  
That turns to rage

Washed of animosity  
Naked truth  
Falling black or white

You are turning  
To the light  
There is nothing I can't be

Bare bones  
Bare bones  
I have been to hell  
Now I'm back  
Stripped to the bone  
I have been to hell  
Now I'm back an' I'm taking all I want  
Bare bones  
Yaa
