Ooo, they sleep

Sleepin' with a time bomb
Rumblin' in my dreams
Innocence been long gone
Fall apart at the seams

Lookin' through the windows, walkin' through the doors
I can't help this feelin' I been here before
Everythin' is different, everythin' the same
I know the rules, I played the game

Cry out!
Tell me what it's gonna be?
Reach out!
Is everythin' the same?
Cry out!
T-t-tell me what you really see?
Reach out!
A coma steals my name

Coma
Coma
Coma

Wake to an explosion
Nothin' seemed so real
Innocence corrodin'
Alone is all I feel

Reachin' out to no one, knowin' no one's there
Afraid to be afraid of another nameless fear
I got all the reasons don't need no more
Blinded by illusions, locked behind the door

Cry out!
Tell me what it's gonna be?
Reach out!
Is everythin' the same?
Cry out!
Tell me what you really see?
Reach out!

An' a coma stole my name

Coma

Coma

Sleepin' now forever
Murdered in my dreams
Innocence never
Goin' to extremes

Bustin' through the windows, kickin' down the doors
Standin' up for me, I never did before
Now I lay me down to sleep and if I die before I wake

Cry out!
Tell me what you really see?
Reach out!
Is everything the same?
Cry out!
Tell me what it's gonna be?
Reach out!
An' a coma stole my name

Coma

Coma

Coma

I'm outta the dive an' comin' alive
