

Overkill "Crystal Clear"

Fingernails that pierce your tender flesh
And a silent scream of your new faith profess
I am a piece of eternal satisfaction
I am the serpent wrapped around your feet

Deep inside you're burning
Virgin ear
Oh, to stop the yearning, now
Crystal clear, crystal clear

Blind and staked you to a belly crawl
And set to take, embrace your final fall
I am the guide to the new temptation fallout
I am a breath of polluted air you breath

Deep inside you're burning
Virgin ear
Oh, to stop the yearning, now

Deep inside you're learning
Face your fear
Floating, moaning, turning
Oh, crystal clear

Innocence has fallen
At the feet of the need
Lust has taken over
Watch it feed

Blessed into temptation
In the beholder's eye
Offered on the altar on high

Are you here for the calling?
Are you here to abide?
Have you come from the falling
Deep inside?

Deep inside you're burning
Virgin ear
Oh, to stop the yearning, now

Deep inside you're learning
Face your fear
Floating, moaning, turning
Oh, crystal clear, crystal clear, crystal
