Fast Junkie

Lean in, take it right  
Down one, no kissin' concrete  
I'm awake, I'm awake, I'm awake  
Too alive, it's comin'

Let it go, let it go, let it go  
Let it go, let it go, let it go go go

My strip, my bank  
My rubber rut steel, my tank  
I kill, I kill, yea kill kill kill  
Too alive, let it go

No time for thinking  
A full out Fast Junkie  
Pushin' the red, hey  
Full out speed monkey

Go go go go  
Head shake

With thoughts fixed upon the fix  
Inside the vein  
With thoughts fixed  
Not so easily explained

Let it out, let it go  
What you do not what you know  
One more, fix clean, I'm one  
I am a machine, I am a machine, I am

No time for thinking  
A full out Fast Junkie  
Pushin' the red, hey  
Full out speed monkey

No time for thinking  
A full out Fast Junkie  
Pushin' the red, hey  
Full out speed monkey

Head shake  
Wide fucking open  
Wide fucking open
