I'm your crucifix, your burning light
I'm the perfect mix of wrong and right
I'm your full blown blue eyed devil
It's my nature to deceive
You're the classic lost example
With a need to believe, need to believe
You want to

Walk in God-like
Immune to dyin'
What was I thinkin'
As I bent my knee and hailed?
Walk in God-like
Immortal cryin'
What were you thinking
As you took the hammer
In your hand and nailed?

I'm your black book, thatcha live by
I'm the fisherman's hook, that you kill by
I provide your inner peace
Faith in complication
I provide the means, the tools
For blessed devastation
Now you're closer to

Walk in God-like
Immune to dyin'
What was I thinkin'
As I bent my knee and hailed?
Walk in God-like
Immortal cryin'
What were you thinkin'
As you took the hammer
In your hand and?

I'm your crucifix, I'm your black book
I'm your crucifix, your holy black book
I'm your crucifix, I'm your black book
I'm your crucifix, read your black book

Like lambs to the slaughter, they come

Like men in need of water, they come

I'm your full blown blue eyed devil
It's my nature to deceive
You're the classic lost example
With a need to believe, need to believe

Walk in God-like
Immune to dyin'
What was I thinkin'
As I bent my knee and hailed?
Walk in God-like
Immortal cryin'
What were you thinkin'
As you took the hammer
In your hand and?
Walk in God-like
