So much trouble  
Hate this job  
Tried to get out  
Trapped like a dog  
No, I don't like  
Pumpin' gas  
Do ya hate to wait?

Life's a game  
We play your rules  
Bottle half empty  
Or the bottle half full  
It does no good  
No good to shout  
But I scream I hate

Say I'm hostile  
Gotta relax  
Gotta get a grip  
Here's the facts  
I hate bein' here

I hate people that make you feel small  
I hate having my back against the wall  
You know, I hate being talked down to

I hate your rules  
I hate 'em all  
Hate being marked to take the fall

Planet's not big enough for me and you

So much trouble  
Over me  
Surrounded by jerks  
Can't ya see?  
Smile to my face  
I know you lie  
Knife in the back

Another game  
Rules, rules, rules

Not for me  
Ya fuckin' fool  
Open your mouth  
Just one more time  
And my foot's goin' down

In one ear  
Out the other  
A waste of time  
Don't even bother  
I hate being here

I hate people that make you feel small  
I hate having my back against the wall  
You know, I hate being talked down to

I hate your rules  
I hate 'em all  
Hate being marked to take the fall

Planet's not big enough for me and you  
But most of all  
I hate you...

YOU! I hate you  
YOU! I hate you  
I hate, I hate, I hate, I hate you

(Solo)

I hate people that make you feel small  
I hate having my back against the wall  
You know, I hate being talked down to

I hate your rules  
I hate 'em all  
Hate being marked to take the fall

Planet's not big enough for me and you  
But most of all  
I hate you...

Think I know  
How you got this far?  
Think I know how you  
Got where you are?

Think I'll hate you  
When you're dead?  
I know I'll hate ya

Smile to my face  
Know you lie  
Say I got problems?  
Ask yourself why

Hate the games  
I hate the rules  
You're gonna lose

Say I'm hostile  
Gotta relax  
Better get a grip  
Here's the facts  
Not much more of you

I hate people that make you feel small  
I hate having my back against the wall  
You know, I hate being talked down to

I hate your rules  
I hate 'em all  
Hate being marked to take the fall  
Planet's not big enough for me and you  
But most of all  
I hate you...

I hate people that make you feel small (I HATE YOU)  
I hate having my back against the wall (I HATE YOU)  
I hate being talked down to

(I HATE YOU) I hate your rules  
Every one (I HATE YOU)  
Hate having counted you number one  
I hate being placed at number two  
But most of all  
I hate you  
I hate you  
I HATE YOU!

I HATE!
