I ain't lookin' for a reason
I ain't searchin' for my soul
I'm findin' all the answers
It's the questions I don't know

Seen it from the outside
Outside lookin' in
What's it like to be inside?
Will I ever stop payin' for my sins?

Will I see the light of day?
When will all these dues be paid?
Send on down a sign to me
Or am I too blind to see?

Ignorance and innocence
Go hand in hand
Ignorance and innocence
Am I guilty man? Yes I am

Takin' rides on a one way street to nowhere
I'm lookin' for a sign I understand
Passin' time to save my mind
Following that road that winds
In and out of my own towns of hell

Seen it from the outside
Outside lookin' in
What's it like to be inside?
Will I ever stop payin' for my sins?

Will I see the light of day?
When will all these dues be paid?
Send on down a sign to me
Or am I too blind to see?

Ignorance and innocence
Go hand in hand
Ignorance and innocence
Am I guilty man? Yes I am

Standin' up or layin' down

My head goes spinnin' round and round again
My head goes spinnin' round and round again
My head is spinning, head is spinning, ignorance

Ignorance and innocence
Go hand in hand
Ignorance and innocence
Am I guilty man?

Ignorance and innocence
Go hand in hand, yeah
Ignorance and innocence
Am I guilty, guilty?

Ignorance
Ignorance
Ignorance
Ignorance
Ignorance
