Hey hey hey hey  
Hey hey hey hey  
Hey  
Yeah yeah  
Yeah yeah

Here come Mr. 'I ain't like that'  
Mr. 'You can count on me'  
Here come evolution, walkin' with stupidity

Waste a' time, waste a' my time  
Give it up, lay it down, play the bottom line  
Waste a' time, waste a' prime time  
Hey, let me shut that for you  
Hey hey hey hey  
Hey hey hey hey

Yeah, gotta gotta get gotta get me some  
Yeah, gotta gotta get gotta get me some

There go no one get over me, Mr. 'Not behind your  
back'  
Muthafucka got a larger than life, full a' shit, short a'  
fact

Waste a' time, waste a' my time  
Give it up, lay it down, play the bottom line  
Waste a' time, waste a' prime time  
Hey, let me shut that for you  
Hey hey hey hey  
Hey hey hey hey

There's a kind of hush all over the world tonight  
All over the world, you can hear the sound  
There's a kind of hush all over the world tonight  
All over the world, you can hear the sound  
There's a kind of hush all over the world tonight  
All over the world, you can hear the sound  
Know what I mean?

Sit down, and shut up  
Sit the fuck down, and shut the fuck up

Stoop muthafucka gettin' under my skin  
Runnin' away with that mouth again

Ah ah ah got nothin' better to do  
S.M.F. let me shut that for you

Waste a' time, waste a' my time  
Give it up, lay it down, play the bottom line  
Waste a' time, waste a' prime time  
Hey, shut the fuck up  
Hey hey hey hey  
Hey!

Ahh!
