Seen you in the mirror when the story began
And I fell in love with you, I love your mortal sins
Your love is straight away but I love your company
I only ever leave you when you got no money

I got no emotions for anybody else
Better understand I'm in love with myself
Myself, my beautiful self

No feelings, no feelings
No feelings for anybody else

Hello and goodbye and a runaround Sue
You follow me around like a pretty pot of glue
I kick you in the head, you got nothing to say
Get out of the way 'cos I gotta getaway

You never realize, I take the piss out of you
You come up and see me
And I'll beat you black and blue
Okay, I'll send you away

No feelings, no feelings
No feelings for anybody else
Except for myself, my beautiful self, yeah

Ain't no moonlight after midnight
I see you stupid people out looking for delight
Well, I'm so happy, I'm feeling so fine
Watching all the rubbish, you wasting my time

Look around your house, you got nothing to steal
Kick you in the brain, tell you get down to kneel and
pray
You pray to your God

No feelings, no feelings
Ain't no feelings for anybody else
No feelings, no feelings
No feelings for anybody else

Except for myself, your daddy's gone away

Back another day
[Incomprehensible]
