Old enough to know better, too young to care  
Bent of self destruction no one aware  
If I had a reason I could make it work for me  
If I had an answer I wouldn't be so hard to see

Feelin' all just the same  
Feelin' all like a pain  
No I'm not down the drain

Make my own decisions just to go away  
Take the consequences just not today  
Got enough reasons still not workin' for me  
Got all the answers still so hard to see

Somethin' is confusin' me  
Somethin' is abusin' me  
Somethin' is refusin' me, life

Let me live  
(I'm gonna fight for)  
I wanna give  
(I feel to cry for)  
I've been through hell and back so many times before

Take me there  
(I've given a life for)  
I don't care where  
(Give me tight for)  
And show me why there's nothin' to die for too

Old enough to know better too dead to change  
Went in with a full deck goin' out deranged  
I had all the reasons tried, it didn't work for me  
I had all the answers I was too blind to see

Mirror man in my eye  
Mirror man gonna cry  
Mirror man make you die

Let me live  
(I'm gonna fight for)  
I wanna give

(I feel to cry for)  
I've been through hell and back so many times before

Take me there  
(I'm in a trap for)  
I don't care where  
(I'm in a tight war)  
And show me why there's nothin' to die for too
