I have got a secret, hidden behind my eyes
A violation tragedy of violence hate and lies
Locked deep within a chamber, dark recesses of my
mind
A tribute to insanity through hours days and time

Rotten to the core
Rotten to the core
Rotten to the core
Rotten to the core

Recite the testimonial, truth and nothing more
Accusations nominal fall rotten to the core
So take a look, read a book, reach a new plateau
But stain the soul a life you took you know not what I
know

Rotten to the core
Rotten to the core
Rotten to the core
Rotten to the core

Misguided youth the bitter truth nothing left to chance
Angel seeking adventure, new romance
How dare you touch you take the soul of one so pure so
white
The violation tragedy took all she had that night

Rotten to the core
Rotten to the core
Rotten to the core
Rotten to the core

I have got a secret hidden behind my eyes
A violation tragedy of violence hate and lies
Recite the testimonial, the truth and nothing more
Accusations nominal fall rotten to the core

Rotten to the core
Rotten to the core
Rotten to the core
Rotten to the core

To the core
Rot, rot, rot, rot, rot
Rot rot, rot, rot, rot, rot rotten to the core
