Last time you saw me  
I was walking out the door  
Got a nasty habit  
Comin' back for more

Ain't just a threat, no  
It's a promise, well kept  
So when all is said and done  
I came to shred

Shred, simply stated  
Shred, in a word  
Shred, simply stated  
Shred

Dirty little rumor  
Circulating around  
Spreadin' like a plague  
In every little town

Capturing the spirit  
Goin' to the head  
Comin' from a blind spot  
Comin' out to shred, shred

Shred, simply stated  
Shred, in a word  
Shred, simply stated  
Shred, you know me

Go

Next time you see me  
I'll be walking through that door  
All those nasty habits  
Risin' up once more

Here comes the promise  
In actions not said  
So make no bones about it  
I'm back to shred

Shred, simply stated  
Shred, in a word  
Shred, simply stated  
Shred, you know me

Shred, simply  
Shred, shred  
Shred, in a word  
Shred, shred, shred

Shred, shred
