Huh.

Lookin' down the wrong end of a gun!

I'm makin' tracks for Jersey before I'm wasted by the sun.

A simple man in a complex world got the means,
But the know how escapes me...

Yea-ah.

Opposite sides of the same fence,

Not far apart but still,

I don't like you.

Supersonic hate.

Bang bang bang bang bangin' on yer skull!

Eatin' everything is sight, but still I don't seem full.

Complex man in a simple world got the means,
Got the know how to rape me...

Yeah Yeah!

In the park sharin' the same bench,

Not far apart but still,

I could never love you.

Supersonic hate. (Hate!) Yea-ah. Supersonic hate.

Supersonic hate. (Hate!) Oh Yea-ah. Supersonic...

Hate

Here we go! (8x)

Here we go! Sonic in the hate age. (3x)

Here we go! (3x)

(again)

Here we go!

Talkin talkin talkin' till you're blue!

Screamin' supersonic hate, I'll get over you.

Opposite sides of the same fence,

Not far apart, you know that I hate you.

Supersonic hate. (Hate!) Yea-ah. Supersonic hate.

Supersonic hate. (Hate!) Yea-ah.

Supersonic...hate! (2x)

Supersonic...supersonic hate.

(Hate!) Hate.
