"Aw, you up against it now mother fuckers!
You think you're big time?! You gonna fucking die! Big
time!
You ready?! Here come the pain!"
- Al Pachino 'Carlito's Way'

Waiting for my heart to stop, I hear it beating in the
dark,
It keeps me up here, where I lay.
A constant source of agrivation for an overactive
imagination,
Keeps me awake, here where I lay.
I... will wait.
I will I will wait!

Sizing up a brand new rope, to use it now would be a
joke,
To hang me up here, where I wait.
Turning on the light that blinds me, to make it easier to
find me,
And light me up here, where I wait.
I... will wait!
I will I will wait!

(Not the smell of mercy on me!) Erase the pain of what
I know,
Not the smell of mercy on me!
(Not the smell of mercy on me!)I'm reaching down into
a new high in lows!
Not the smell of mercy on me!

Hey hey hey hey,
What's been doin' where ya comin' from?
Hey hey hey,
Where you been hiding? been missing more than
some.
Took a ride when I should'a walked,
Got there way to fast.
Should'a listened 'stead of talked,
First become the last.

Waiting for my heart to stop, I hear it beating in the

dark,
It keeps me up here, where I wait.
But I... will wait.
I will I will wait!

(4 again)
Not the smell of mercy on me! (new high in lows!)
Not the smell of mercy on me! (8x)
