Wake up baby, daddy's comin' to crack your skull in
two.

Hit you like a hammer baby, down the play a fool.

No to the kicking!
No more to say!
No having just one meaning!
Nothing left to say.
No way.

Surface the anger,
Through immortality.
Should you be, undying?
You never were, undying.

Wake up break down daddy's comin', all you heard is
true.
So bite your lip and shut your mouth, it's no longer up
to you.

No to the licking!
No more to say!
No leavin' you alone...
Nothing more to say!
No way! no
Surface the anger,
Immortality.
Should you be, undying?
Undying,

No! for! give! ness!
No! more! to! say!
No way... no

Surface the anger,
Immortality
You never were, undying?
Undying,
Undying, never be undying.
You never were, undying,
You never seem, undying.
How can you be? undying...
