Gimme, gimme, gimme some candy baby
I got the crave, I got to fill
Lemme, lemme, lemme some money, maybe
I'm gonna buy everything you sell

Take it on down, take what you want, yeah
Pay me later, gotta place to be
Move it on in, turn it on over
What's that face, you know me

Here but now it's gone
Here to carry on
Nothing more to say
Your mind has gone away

Unholy fill the moment out
Of your mind
The damn has spilled the secret out
Deaf, dumb and blind

Wanna, wanna give ya what you're looking for
Make it all better like I did before, right
When you find, when you find and you gotta choice
And the screams you hear is your own voice

Turn it on up, turn it into stone
Love me later, gotta, gotta go
Move it on in, take it on home
Wipe that face, you don't know

Here but now it's gone
Here to carry on
Nothing more to say
Your mind has gone away

Unholy fill the moment out
Of your mind
The damn has spilled the secret out
Deaf, dumb and blind

Live your life
Live it through me

Leave your mind
Where it should be

Is the truth
So hard to find
Or is the truth
Out of your mind

Here but now it's gone
Here to carry on
Nothing more to say
Your mind has gone away

Unholy fill the moment out
Of your mind
The damn has spilled the secret out
Deaf, dumb and blind

Unholy fill the moment out
Of your mind
The damn has spilled the secret out
Deaf, dumb and blind
