## "Up To Zero"

Zero conversation, words upon a page  
No communication, no respect  
Zero, but a world of words, a war, a simple rage  
Not worth the time to look in or dissect

He said, "Wait! I'm not ready  
I wasn't really treated fair  
Wait! Not in a hurry  
I want the time I wasted back  
When I thought no one cared"

Positively negative, zero minus one  
He believes, he believes in what he say  
A lifetime in a moment passes, zero minus one  
Borrow time, borrow one more day

Wait! I'm not ready  
I wasn't really treated fair  
Wait! Not in a hurry  
I want the time I wasted back  
When I thought no one cared

Just enough to keep you down  
Up to zero  
Just enough to keep you down  
Just enough to keep you down  
I'm up to zero  
Just enough to keep you down

Wasted, wanted, needed, feel  
When all is said and done  
Christened, baptized, spitting on the Son  
Stop it here, one more deal  
A moment now to beg or steal  
A scrap of meat or one last meal?  
Stop it here, stop it here, and

Wait! I'm not ready  
I wasn't really treated fair  
Wait! Not in a hurry  
I want the time I wasted back  
When I thought no one cared

Just enough to keep you down  
Up to zero  
Just enough to keep you down  
Just enough to keep you down  
Up to zero  
Just enough to keep you down

Keep you down  
Keep you down
