What's your problem?
When is it gonna end?

I'm not a bad man
(Bad man)
Just excel in anger and hatred
Do the best, with what I have
I'm a constitution, yeah
Everyday I'm tested
With the worst of what you have

Here's to your problem
Here, Mr Know-It-All
Here's to the solvin' of a problem in your head
Here's to your problem
Here Mr Can't-Be-Wrong
Here's to the solvin' of the problems in your head

When is it gonna end?
When is it gonna end?

You're not a bad man
(Bad man)
You excel in cold frustration
You know I bleed, for what it's worth
Think I hear the distance comin'
Down fast on your face is gunnin'
Blood spots in the eye give you away

Here's to your problem
Here, Mr Know-It-All
Here's to the solvin' of a problem in your head
Here's to your problem
Here Mr Can't-Be-Wrong
Here's to the solvin' of the problems in your head

When is it gonna end?
When is it gonna end?
When is it gonna end?
When is it gonna end?

Do it if I can

You expect to much and I can't
Be bothered with what you do

Hey, what's your problem?
Hey, what's your problem?
Hey, what's your problem?
Hey, hey, hey

Here's to your problem
Here, Mr Know-It-All
Here's to the solvin' of a problem in your head
Here's to your problem
Here Mr Can't-Be-Wrong
Here's to the solvin' of the problems in your head

When is it gonna end?
