Ohh...
when i look over my shoulder i
see , what
you've
done to me....

But in spite
of
all the things that
you've done
"i still love you"

Aww yeah... Now Girl
i'd hate to walk
away from this love ...
But what i thought
we had was'nt
solid enough....

And i Guess the ship
we built
couldn't bare the storm....
So now I'm
gone....
until till next time.....

"I Still Love You "
Even though you treat
me Bad.

"I Still Love You"
Even though you make
me Sad.

Even though you broke
my heart....
Tore my life apart...
Made a fool from
the start.

Baby
"I Still Love You"

Ohh...
when i look over my shoulder
i see , that
all the bad you've
done to me
out-weighs that good
can't you see....
That that's reason enough for
me to leave.

You Gone be
Sorry....
I'd hate to walk away
from this love...

But what i thought
we had was'nt
solid enough....

And i Guess the ship
we built
couldn't bare the storm....
So I'm gone....
Till next time.....

"I Still Love You "
Even though you treat
me Bad.

"I Still Love You"
Even though you make
me Sad.

Even though you broke
my heart....
Tore my life apart...
Made a fool from
the start.

Baby
"I Still..." " i still
Love You"...
Even though you treat
me Bad.

"I Still Love You"
Even though you make
me Sad.

Even though you broke

my heart....
Tore my life apart...
Made a fool from
the start.

"I Still Love You "
No matter what you
did to me i was
there...

No matter what you
said to me i was
there...

Through the pain and
the struggle...
I was there....

When no one else
would love
I was there.....,.....

"I Still Love You "
Even though you treat
me Bad.

"I Still Love You"
Even though you make
me Sad.

"I Still Love
You....."

Even though you broke
my heart....
"I Still Love You"

Hey!!!
"I Still Love You"
Baby
"I Still Love You".
