The way that you move, sweet and smooth

Baby you drive me crazy

The way that you laugh, I can't get enough

Baby you drive me crazy, yeah

I'm mad about you baby

Head about you baby !!

Girl i like the way you move, I love the way you look
and the nasty things you do, I got a crush on you
every since i saw your body, and your girlfriends
been in the party, I had to make you Want me
and make you love me

The way that you move, sweet and smooth

Baby you drive me crazy

The way that you laugh, I can't get enough

Baby you drive me crazy, yeah

I mad about the way you love love love me (x3)

Mad about you you, Toi, moi

Dance effect moi, Mad about you you

Toi, moi, Dance effect moi

Baby you drive me crazy

The way that you laugh, I can't get enough

Baby you drive me crazy, yeah

I mad about the way you love love love me (x3)

Mad about you you, Toi, moi

Dance effect moi, Mad about you you
