She open's up  
She holds  
Her list of reasons  
Through butterfly glasses,  
Say's the world  
Has written her off

It won't take long  
She's been beaten  
Downed before  
It won't take long  
Until, it take's control of her

Adelaide  
Did you miss your scene?  
slipped away  
Underneath it all  
I know, retro girl your a mavin  
So amazing  
Adelaide

It take's it's toll  
Too late to, too late to save her  
She can't get free from her rejection  
It takes hold

It won't take long  
She make's believe  
But I know,  
It's an open letter

Adelaide  
Did you miss your scene?  
slipped away  
Underneath it all  
I know, retro girl your a mavin  
So amazing  
Adelaide

Oooh, oooh, oooh,  
Underneath the smile  
She hides the bruises

What is essential  
Is what she believes

Adelaide  
Did you miss your scene?  
slipped away  
Underneath it all  
I know, retro girl your a mavin  
So amazing  
Adelaide

Don't let her go  
I know,  
I love, Adelaide
