Hazel
(P.Welch C.Wing)

Yea!
You electrify me when you breathe
You make me feel alive
Uneven my soul with your rays
But you hold back the light

Your calling my name I'm enslaved
You make me feel alive
Uneven my soul with your ray's
But you hold back the light

Hazel
All I need all I crave
Hazel
All I need all I crave

Hazel
Hazel

When your calling my name I'm enslaved
You make me feel alive
Uneven my soul, with your grail
My love you can't deny

Hazel
All I need all I crave
Hazel
All I need all I crave
Hazel
Hazel

Oooh, yea, yea;
Just let me feel you let me bask inside your turn of
phrase

Hazel
All I need all I crave
Hazel
All I need all I crave

Hazel
Hazel
All I need all I crave
Hazel
All I need all I crave
Hazel
Hazel
All I crave
