I feel its time  
To ease your mind  
I'm not the one  
Who let you down

I've reasoned  
You've closed your eyes

But you don't know what to say  
Your words just lead to dismay  
What for it's your warlike thing yea, yea, yea, yea,

Yes I've tried to reach out with these words from the  
heart  
But you give a warlike response

I feel its time  
To ease my mind  
Your not the one  
To drag me down

But you don't know what to say  
Your words just lead to dismay  
What for it's your warlike thing yea, yea, yea, yea,

No I can't get through  
To you  
Cause my hands are tied  
Can't get through to you  
But, I've tried and tried

But you don't know what to say  
Your words just lead to dismay  
What for it's your warlike thing yea, yea, yea, yea,  
But you don't know what to say  
Your words just lead to dismay  
What for it's your warlike thing yea, yea, yea, yea,

No I can't get through  
To you  
Cause my hands are tied  
Can't get through to you

But, I've tried and tried
