All eyes on you

(All eyes on you , when i stepped in the club,
My head goes round & round & round,
I see you gettin' naughty ,
I see you wanna party so tell me if you are down) X 2

All eyes on you , when i stepped in the club ,
With the way you move can't get enough ,
(Heart beat) fast that i can't catch up ,
Yes i'm down , but you lift me up ,

Don't be shy girl come get close ,
Once I hold you I won't let go ,
We gon' hit that dance floor ,
We gon' sip that patron ,

The way you move that body ,
The way you get so naughty,
You gettin' outta control (girl u gettin' outta control)

I'm lookin' for somebody ,
You're just not anybody ,
You must be outta this world,
(girl you're outta this world),

(All eyes on you , when i stepped in the club,
My head goes round & round & round,
I see you gettin' naughty ,
I see you wanna party so tell me if you are down) X 2

Tell me if you're down girl
and if you're down then I,m down for you ,
to rock ya' body all the way to the floor
from your head to your toes
show you thing's u don't know,

The way you move body ,
The way you get so naughty,
I wanna lose control

im lookin' for somebody ,

You just not any body ,
Girl You outta this world,

Tell me if you're down girl
and if you're down then Im down for you ,
to rock ya' body all the way to the floor
from your head to your toes
show you thing's u don't know,

The way you move body ,
The way you get so naughty,
I wanna lose control

im lookin' for somebody ,
You just not any body ,
Girl You outta this world,

(All eyes on you , when i stepped in the club,
My head goes round & round & round,
I see you gettin' naughty ,
I see you wanna party so tell me if you are down) X 3
