Bury me alive  
Bury me alive  
I don't care  
If people cry  
Bury me alive

I wanna get sick  
I wanna catch everything you've ever could  
I wanna get shipped  
Had to sit and wait for me

A a a a a a  
Bury me alive

Cover me in flowers  
Let me count the hours  
Cause I can't wait  
To meet my fate  
Bury me alive

I wanna get sick  
I wanna catch everything you've ever could  
I wanna get shipped  
Had to sit and wait for me

A a a a a a  
Bury me alive

I wanna get sick  
I wanna catch everything you've ever could  
I wanna get shipped

Bury me alive  
Set me adrift  
And hope the tide  
Doesn't bring me in

Set me adrift  
And tell the tide  
Not to bring me in.
