Everybody's changing  
I remain the same  
Everybody's changing  
They say at your age

And I know how old I am  
But why do I care?  
You moved to another town  
But I won't go there

No, I won't go there  
No, I won't go there  
No, I won't go there  
Anymore

Everybody's changing  
I remain the same  
Everybody's changing  
You stay at your age

And I know how old I am  
But why do you care?  
I can't see you now  
And I won't look back

No, I won't look back  
No, I won't look back  
No, I won't look back  
Anymore

You moved to another town  
But you won't look back

No, we won't look back  
No, we won't look back  
No, we won't look back  
Anymore

No, I won't look back  
No, I won't look back  
No, I won't look back

Anymore
