Looking forÂ...
A shooting star to fall
Fall so far
Seeking out
A four leaf clover
To help my doves
And pull me out oh oh oh oh

Looking forÂ...
A shooting star to point me in the right direction

Seeking out
A four leaf clover
To help my doves
And figure out
You could pull me out
You could pull me out
You could lead the way

Looking forÂ...
A shooting star to fall
To fall so far
Seeking out
A four leaf clover
To help my doves
And figure out
You could pull me out
You could pull me out
You could pull me out
You could lead the way

Looking forÂ...
A shooting star to point me in the right direction
Looking forÂ...
A shooting star to point me in the right direction
Looking forÂ...
A shooting star to (fall) point me in the right direction

Seeking out
A four leaf cloverÂ...
