If you don't realize
There's no sacrifice
If you feel the way I do
(If you feel like I do)
World won't wait for you
(The world won't wait for you)

Everybody's crazy
What's your excuse baby?
Standing in the middle waiting for something to
happen
Are you waiting for something to happen?

If you don't know what's right
Where's the sacrifice?
If you take a look around
Just take a look around
Tell them what we found
(Just tell them what we found)

Everybody's crazy
What's your excuse baby?
Standing in the middle waiting for something to
happen
Are you waiting for something to happen?

Everybody tells me
(Everybody tells me)
There's no excuse baby
(There's no excuse baby)
If everybody's crazy
(Everybody's crazy)
There's no excuse baby
(There's no excuse baby)

Standing in the middle waiting for something to
happen
Are you waiting for something to happen?
(Are you waiting for?)
Are you waiting for something to happen?
(Are you waiting for?)

Are you waiting for something to happen?
(Are you waiting for?)
Are you waiting for something to happen?
(Are you waiting for?)
Are you waiting for something to happen?
