this worlds for me to take  
i've never been fake  
i'm a studio chef  
i cooked up a fresh plate  
watch me increase customas  
i'm a hustla  
i've been knowing that  
ever since i was a younsta  
made my mom proud  
now shes like wow  
he aint runnin the streets  
hes doin something now  
i'm a straight shooter  
tempted me i'm a bruiser  
im flyin than the rest  
all u niggas need a booster  
i'm cold like a blizzard  
cuz when i deliver  
these mothafuckas shiver  
aint nobody out there quicker  
it is what it is  
fuck what u do  
get hit with a little kung fu  
fuckin with my crew

chorus:  
aint nobody out there  
can do it like me  
and aint nobody out there  
gifted like me  
im a go getter so im a go n get it  
dont give a fuck if you dont like me bitch

im so iced out  
my swag on froze  
these bustas want my head  
they want me 6 below  
so i lock n load  
im ready to go  
i'll wipe ur whole team  
now they all turn ghost  
thats how it gotta be

i keep clownin  
money keep appearing  
so im still countin  
i stack chips  
u niggas aint bout shit  
they in a frenzy  
when they see me in that new whip  
im fired up  
plus im wired up  
u at the bottom of the chain  
im higher up  
im somewhere out there  
blazed out  
in a whole notha galaxy  
spaced out

chorus:  
aint nobody out there  
can do it like me  
and aint nobody out there  
gifted like me  
im a go getter so im a go n get it  
dont give a fuck if you dont like me bitch

its the top cat  
u boys are gettin zapped  
i keep addin on  
i dont kno how to subtract  
i step in clean  
with my super supreme  
my team stay on scheme  
kno what i mean  
military minded  
im a fuckin soldier  
these dudes got an attitude  
they gettin bolder  
admit it its pathetic  
dont get it twisted  
my team of misfits  
have u sleepin with the spirits  
never catch me yawnin  
low is how im crawlin  
me n boys at the table  
n we go all in  
im so official  
so presidential  
im 100 percent real  
u boys is artificial

chorus:  
aint nobody out there

can do it like me  
and aint nobody out there  
gifted like me  
im a go getter so im a go n get it  
dont give a fuck if you dont like me bitch
