swing n i swang
im known to bring pain
its yo boy verse
n ive been in this game
screens rain when i slide
in my mothafuckin ride
pour drank n lets sip
while we listen to this vibe
killin tracks with my talent
to me there has been no challenge
i spit my worst rap
itll knock u off ur balance
u can blame me
i do it like that
they givin me shit
ill give shit right back
no option now boy
i gota make it
im ready now its prime time
i wont be faded
im stealin the show
u niggas need to lay low
my pockets increase
better watch that shit grow

chorus:
as I roll through my city
with my snapback on
bout 200 on the dash
boy im so far gone
I be
rollin'rollin'
rollin'rollin'
rollin'rollin'
rollin'rollin'

look how im shinnin
im self made
go on n hate some more
im not afraid
theres no arguin
that im fresher than the rest

dont act surprised
im the mothafuckin finest
no joke
im grindin so hard
im hurtin mothafuckas
cuz im shinnin so hard
aint no contiplatin
these mothafuckas be hatin
click clack boom
these bullets what they facin
my mind on this hustle
im on this paper route
who ever in my way
gone get knock the fuck out
well here he is
im still in my drop top
shinnin like summer
n im movin nonstop

chorus:
as I roll through my city
with my snapback on
bout 200 on the dash
boy im so far gone
I be
rollin'rollin'
rollin'rollin'
rollin'rollin'
rollin'rollin'

candy paint swangin
this shits not changin
u hear that knockin in the trunk
for sure thats me bangin
raisin my stacks
i got that wall street money
on top of this game
while u niggas be frontin
im grabin this cash
im stackin em up
these hoes on my dick
im grabin em sluts
i got a sweet tooth
im blowin on a swisher
i get a lot of hate
u get the picture
i swang coast to coast man
i get the most damn
i got that huge delivery
just like the post man
its time to roll out

thers money to be made
top back i show off
when im gettin paid

chorus:
as I roll through my city
with my snapback on
bout 200 on the dash
boy im so far gone
I be
rollin'rollin'
rollin'rollin'
rollin'rollin'
rollin'rollin'
