I've been entertaining thoughts of what I wanna say to
you, oh, oh, oh, oh
I've been entertaining thoughts of what I'm gonna do
I've been saving what I got and wondering who to give
it to, oh, oh, oh, oh
I've been entertaining thoughts all over you

The way this works is so mysterious
If it gets much worse it's called delirious
If I were mad I would be furious
But this could be so much more than just another
euphemism for

I've been entertaining thoughts of what I wanna say to
you, oh, oh, oh, oh
I've been entertaining thoughts of what I'm gonna do
I've been saving what I got and wondering who to give
it to, oh, oh, oh, oh
I've been entertaining thoughts all over you

You smoke your cigarette and wonder if it's happened
yet
As the heavens slowly part and you ascend
I wish that I could say that I'll have no regrets
But I may have one or two or three or four more than
you

You will never even know till it hits you fool
Ooh, ooh, ooh, I'm entertaining thoughts all over
I'm entertaining thoughts all over you
