

Over The Rhine "Falling (Death Of A Tree)"

I'll awake to find your love
Falling like leaves to the ground
I'll aware to find your love, falling like leaves
You will look to find me down upon my knees

Without a sound
You will look to find me
Down upon my knees

Then we can fling wide the gates
Let go the last of our hate then we can sigh
Like the cool clear wind up high through the sky above
Then we can say we're in love

Then we can rest mortal eyes
Laugh as we run out of temporal breath
Then we can move, we can sing, we can tremble
Like birds through the sky above
Then we can say we're in love
