Walkin' out in the freezing rain
I feel nothin' 'cause I numbed the pain
I'm lookin' forward to lookin' back
On this day

Prayed last night, ?Dear God, please no?
But I was never good at letting go
I'm lookin' forward to lookin' back
On this day

I'm lookin' forward to lookin' back
Lookin' forward to lookin' back
On this day

Good news can be so unkind
When it's everything you have to leave behind
I'm lookin' forward to lookin' back
On this day

I'm lookin' forward to lookin' back
Lookin' forward to lookin' back
On this day

In the tail lights
So much hindsight
Tellin' me what I already know
I know

I'm lookin' forward to lookin' back
Lookin' forward to lookin' back
On this day

I'm lookin' forward to lookin' back
Lookin' forward to lookin' back
On this day

Walkin' out in the freezing rain
I feel nothin' 'cause I numbed the pain
I'm lookin' forward to lookin' back
Lookin' forward to lookin' back
On this day
