Ge?le noircie sordidement  
Ancr?e dans son ?me profonde  
Braconnier des coeurs amants  
Inculte dans son propre monde

Mascarade de lamentations  
Abominations sa jubilation  
Creuser un s?pulcre lentement

Afin de pleurer et boire son sang  
Lugubre en moi ce songe  
Unissant les angoisses qui me rongent  
Sinistre est cela ? l'existence  
D'oeuvrer sous le joug de ses souffrances  
Creuser un s?pulcre lentement

Goal, black and sordid  
Anchored deep in his soul  
Bidding for lovers hearts  
Ignorant thiertheir own world

Mascarade of complains  
Abomination his jubilation  
Create and dig slowly a hole  
Amidst to cry and drink his blood

Longing in my spirit who imagines  
Uniting all anxieties that eat at me  
Sinister is that task of existing  
Offered as sheltered sufferings

Carcel negra y sordida  
Clavada en su alma  
Cazador de corazon  
Inculto en su mundo

Mascarada de lamentos, abominacion  
Excavar la sepultura, despacio

Para beber su sangre y llorar  
Lugubre en mi alma es el sueno

Juntar las ansiedades que me jodian  
Siniestra es esta existencia  
Obrar bajo el velo de sufrimientos
