Part of me, you are a part of me  
I never want to lose  
Hard for me this is too hard  
Maybe I can't get through

What will I miss the most?  
Pray that I'm haunted by your ghost

Listening you're always listening  
I don't know what to say  
Why don't you turn and run at break-neck speed  
Just to get away?

And when you catch your breath  
Pray I said every word I meant

Alright, it's alright now  
Alright, it's alright

Broken down, we're all so broken down  
Bandages on our wings  
I know I don't have to tell you  
Only broken hearts can sing

I'm hoping for a sign  
Pray that I'm anything but fine

Alright, it's alright now  
Alright, it's alright  
Alright, it's alright

Some things are never gonna change  
You ought to know by now  
You ought to know by now

Alright, it's alright now  
Alright, it's alright

Alright, it's alright  
Alright, it's alright
