And if you call my name
Make it clear
And if you call my name
Make it plain
And if you call my name
Make it evident
I wouldn't miss it
I wouldn't miss it for the world
Miss it for the world
And if you need my attention
Be bizarre
Feel free to ignore convention
It's alright
And if it's a matter of permission
You can do me harm
I wouldn't miss it
I wouldn't miss it for the world
Miss it for the world
Someday
I'll pray
Don't leave me alone
And if you call my name
Call it again
My mind's been known to wander
Call it again
You know I've been waiting
For this since God knows when
I wouldn't miss it
I wouldn't miss it for the world
Miss it for the world
Someday
I'll pray
Don't leave me alone
Don't leave me alone
And if you call my name
Make it clear
And if you call my name
Make it plain
And if you call my name
Make it evident
I wouldn't miss it
I wouldn't miss it for the world

Miss it for the world
Miss it for the world
Someday
I'll pray
Don't leave me alone, alone
Don't leave me alone, alone
Someday
Someday
Someday
Someday
