Over The Rhine
"Squeedgeee"

Sqeedgees
(Parole : Esteban - Musique : Jo?l)

Sqeedgee!!!
Sqeedgee!!!
Sqeedgee!!!
Sqeedgee!!!
Sqeedgee!!!
Sqeedgee!!!
Sqeedgee!!!
Sqeedgee!!!

In between the lanes
Every day the same
Back and forth the windshields
Working on my own
Always on the edge
Working with my sqedge

Sqeedgee
It's me against the world
Sqeedgee
It's me against the world
Sqeedgee
It's me against the world
Armed only with my Sqeedgee!!!

In between the lanes
Every day the same
Back and forth the windshields
Working on my own
Always on the edge
Working with my sqedge

Sqeedgee
It's me against the world
Sqeedgee
It's me against the world
Sqeedgee
It's me against the world
Armed only with my Sqeedgee!!!

In between the lanes
Every day the same
Back and forth the windshields
Working on my own
Always on the edge
Working with my sqedge

Sqeedgee!!!

Squared off
with anoter punk
that says he was here earlier
Fuck off!
Things you gotta know when
You're living on the sqedge

Sqeedgee!!!

Wipe the city's shit and grime
For just a penny and a dime
Looking over my shoulder
Running all, all the time
And send these days into the past
And send these days into the past

Quiting time's around the corner
Put my pennies all into quarters
Run to where I came from last
And send these days into the past
And send these days into the past
And send these days into the past

In between the lanes
Every day the same
Back and forth the windshields
Working on my own
Always on the edge
Working with my sqedge

Sqeedgee
It's me against the world
Sqeedgee
It's me against the world
Sqeedgee
It's me against the world
Armed only with my Sqeedgee!!!

Sqeedgee!!!
